## Welcome to The Forest Academy

We are a diverse, inclusive, community-centred school who are deeply committed to supporting all of our students throughout their education.

[www.theforestacademy.co.uk](http://www.theforestacademy.co.uk)

## At The Forest Academy, we focus on:

We are delighted you are considering us for your child's education

### We want our students to be:

- Successful learners who enjoy learning, make progress and achieve their full potential.
- Confident individuals who are able to lead safe, healthy and fulfilling lives.
- Responsible citizens who make a positive contribution to society.

### A broad curriculum

Our students study the whole range of national curriculum subjects from Y7-9 including art, music, drama, design technology, food technology, PE, and many more.

### Excellent teaching

As a school we focus on making sure all of our staff are brilliant teachers and are able to do their jobs to a high standard. This means that all lessons are calm and purposeful, and the school is a positive, safe and happy place to learn.

### 100% progression

We are committed to ensuring that all of our students go on to high quality destinations when they leave education, whether that is university, further study or apprenticeships and work. [theforestacademy.co.uk/careers](http://theforestacademy.co.uk/careers)

### Wider experiences

We have a huge range of clubs across TFA, including a **free breakfast club** every day and regular sports fixtures. We have a broad range of trips and visitors, to ensure they understand the world outside school and can make informed decisions about their futures.

### Brilliant student support

We recognise that across their time at school, students will have a number of challenges. We provide individualised support, whether through 'information, advice and guidance' sessions, mentoring, counselling and bespoke support programmes.

Students who join us with English as an additional language have additional tailored support programmes.

### Outstanding 6th Form

TFA students are guaranteed progression in to the 'Outstanding' Beal 6th form – which has two campuses, one at TFA and one at Beal High School. We provide 3 pathways to success, through our 3 year pathway, BTEC pathway and A-level provision. [theforestacademy.org/sixth-form/](http://theforestacademy.org/sixth-form/)
