

Dear Parents/carers,

In what has been a warm and sunny few days, we have been really impressed with **year 10 and their focus** and maturity shown whilst sitting their mock exams.

We are also looking ahead to our **TFA Summer Fair 2025 on Saturday 28th June 2025**, with planning well underway. If you would like to get involved, volunteer or run a stall, just get in touch with us via email. *See the poster attached for more information.*

**Highlights this week:**

- A huge well done to the **TFA girls Basketball team** who played their first fixture against Chadwell Heath Academy on 13/03/25. The team displayed great teamwork and resilience to improve their performance each quarter. Congratulations also to **player of the match Jessica** who displayed a consistent performance and great dribbling technique throughout.
- **Year 10s on a trip to 'Maths in Action'**, where they took part in lots of different workshops and lectures, including a session on exam preparation. **Aiden F finished in the top four students** amongst all the schools there in a maths competition to end the day! **Adriana S** said, "The trip was really fun. We learnt about the different Maths careers and how maths is involved in our daily lives. It was a really interesting trip and learnt about how to prepare for our upcoming mock exams." According to **Anvita S**, "The trip was educational and fun. It will be helpful to our upcoming mocks."
- **Dominic V** for his impressive 3D printer musical instrument that plays the theme tune to Super Mario Bros
- Well done to the **Year 7 students** taking part in speeches about sustainability at TFA, addressed to the co-headteachers

**Key updates:**

- Please see attached for information about our **March Open mornings for Year 6 parents/carers**; do encourage any friends or family in the local community to come and visit us (including those in neighbouring areas in Havering and Barking and Dagenham) – a few spaces remain, or to join our waiting lists.

Mr Ansell and Mr MacLeod  
Co-Headteachers
